

SIERRACANYON

ACTIVE CLUBS 2023-2024

1. **Magic Club**- The mission of our club is to teach students magic techniques. We want to inspire them to find a hobby in the magic world and find ways to engage in the different facets of magic.
2. **Fantasy Football Club**- The mission of our club is to guide students to be the “Top Dawg” in their Fantasy Football Leagues. We will do this by giving suggestions and tips about players and strategies week by week.
3. **Black Student Union (BSU)**- The mission of our club is to create a safe place for the black community on campus and educate and inspire the Sierra Canyon Community as a whole.
4. **Tuesday Tea Time**- The mission of our club is to drink tea and enjoy the company of other tea enthusiasts.
5. **Into the Multifandom**- The mission of our club is to bring the magic of superheroes to the SC community regardless of previous superhero knowledge.
6. **Junior Classic League (JCL)**- The mission of our club is to promote a more thorough knowledge of classical life, history, and literature. We want to impart a better understanding of the practical and cultural value of the classics while promoting friendship and fellowship amongst the group.
7. **Persian Student Union (PSU)**- The mission of our club is to spread knowledge about our culture and ethnicity. We want our club to be a fun and educational experience.
8. **Biotech Club**- The mission of our club is to educate students on advancements in biotech while providing activities to provide hands-on experience in the field.
9. **Game Design Club**- The mission of our club is to have fun while meeting new people who share the same passions. We will design/create an original, simple game at the end of the year.
10. **Biology Club**- The mission of our club is to explore biology and the love of nature. We want to have fun while learning.
11. **Astronomy Club**- The mission of our club is to learn more about stars and the expanding universe. We will go stargazing!
12. **Physics Club**- The mission of our club is to develop students’ passion for physics. Everyone will engage in physical experiments.
13. **Women In Sports**-The mission of our club is to learn about powerful women in sports management and inclusivity.
14. **Robotics Team**- The mission of our club is to participate in and win the first robotics tech challenge.
15. **World Mythology Club**- The mission of our club is to educate and bring light to the many myths and cultural stories around the world.
16. **Movie Club**- The mission of our club is to share opinions of movies old and new. We’ll analyze them based on cinematography, soundtrack, narration, and more.

17. **Crochet Club**-The mission of our club is to introduce the art of crochet and break the stereotype that it's for "old people". In addition to sharing the art, we aim to use our skills to support the community.
18. **Engineering Club**-The mission of our club is to create a fun, creative space where we share ideas and collaborate about engineering and science.
19. **Green Club**-The mission of our club is to unite students and faculty with the goal of transitioning our campus to a more sustainable one.
20. **Grape Club**-The mission of our club is to educate students about grape harvesting and the science behind grapes. We'll learn about the business side of agriculture.
21. **Latines Unidos**-The mission of our club is not only to give Latino/e students a supportive community on campus but also to promote cultural awareness, advocate for the needs and concerns of Latino/e students, foster academic and personal growth, and organize events and activities that celebrate Latino/e culture and heritage while promoting diversity and inclusion within the broader campus community.
22. **Chess Club**-The mission of our club is to spread the popularity of chess and to provide an environment where people can play and learn chess.
23. **The Wishing Crane Project**-The mission of our club is to instill positivity and alleviate loneliness by creating origami cranes, cards, and other art projects for local hospice centers and hospitals.
24. **Asian Student-Athletes In The US**-The mission of our club is to highlight the struggles of being both a student-athlete and an Asian in the US. We will discuss how to overcome stress and discrimination.
25. **Middle Eastern & North African Association (M.E.N.A)**-The mission of our club is to become educated on our culture and stay updated on the news in the region. We would also like to do charity for the communities.
26. **Computer Science Club**-The mission of our club is to support each other while teaching computer science.
27. **Competitive Computer Science Club**-The mission of our club is to share and communicate coding ideas and develop a new side of the internet.
28. **Investing Club**-The mission is to teach people about impact investing and how to make a profit while helping the earth. We will also spread financial literacy and passion for investing.
29. **Social Experiment Club**-The mission of our club is to inspire students' critical thinking skills by initiating fun social experiments. These experiments will be based on human behavior in crowds and opinions on stereotypes.
30. **Future Thinkers**-The mission of our club is to explore the future of technology and social responsibility. We will join competitive hackathons and discuss emerging trends in AI and machine learning.
31. **Business Club: (music industry/management & fashion)**- The mission of our club is to offer a space for our peers to learn about the music and fashion industry with a focus on music management and fashion merchandising.
32. **For the Kids**-The mission of our club is to host drives, fundraisers, and donations for children's hospitals.
33. **Math & Puzzles Club**-The mission of the club is to get people to enjoy mathematics outside of academics.
34. **Mental Health & Psychology Club**-The mission of our club is to provide a safe space for our school by educating on mental health issues discussing the importance of self-love, and fostering a community that prioritizes mental health.
35. **Book Club**-The mission of our club is to get students to read and be excited about books.

36. **FBLA**-The mission of our club is to compete in business competitions to grow experience and learn teamwork and leadership.
37. **Gender Sexuality Alliance (GSA)**- The mission of our club is to make a safe place for anyone who is part or curious about the LGBT+ community. We hope to properly inform others about this topic.
38. **Human Rights Student Task Force**-The mission of our club is to provide a platform for young leaders to educate, advocate, and protect humans around the world.
39. **Sierra Canyon Jewish Student Union (SCJSU)**-The mission of our club is to educate all teens on the positive culture and traditions behind Judaism. Another goal is to leave a positive look of Jewish people to students at SC and beyond.
40. **Save A Child's Heart**-The mission of our club is to provide pediatric heart care to countries where access is limited or non-existent.
41. **Royal Flush**-The mission of our club is to teach students some poker techniques. We'll host "friendly" casino nights and engage with game theory. (No real money involved)
42. **Chemistry Club**-The mission of our club is to explore the world of chemistry.
43. **Mah-Jong Club**-The mission of our club is to promote mahjong culture, play games, and relax while learning strategies.
44. **Leadership Club**-The mission of our club is to teach students how to become leaders of the world. We want to help students make an impact on the community in a positive way.
45. **Chinese Culture Club**-The mission of our club is to create a space to promote traditional Chinese culture by discussing different cultures within China. It's also a space for everyone to share their own culture/traditions as well.
46. **Cars and Coffee**-The mission of our club is to teach people about the different car brands, how cars work, and how to drive them safely.
47. **Spanish Club**-The mission of our club is to engage in Hispanic culture via food and song.
48. **Fashion Club**-The mission of our club is to inspire creativity through fashion.
49. **Guitar Club**-The mission of our club is to spread the love and joy of music through guitar.
50. **Humanities Club**-The mission of our club is to interest students in the study of literature and enrich students' creative writing techniques.
51. **International Club**-The mission of our club is to introduce international cultures to the student body and connect students from different countries.
52. **Baking Club**-The mission of our club is to share both our baked goods and our love of baking with SC!
53. **South Asian Association x Muslim Students Association**-The mission of our club is to educate those who are interested in learning about South Asian culture, to create a united community.
54. **Asian Student Association**-The mission of our club is to unite the Asian Americans at Sierra Canyon and inform and teach people about our culture.
55. **Hispanic & Latino Student Union**-The mission of our club is to advocate for the Hispanic and Latino community by giving them a platform at Sierra Canyon.

56. **CHNGE4WOMEN**-The mission of our club is to acknowledge the challenges that women face daily. We will address these issues and will strive to make changes to help women across the globe.
57. **Asia Association**-The mission of our club is to spread the culture of the continent of Asia. Talk about and celebrate special events held in the countries of Asia.
58. **EmpowerHer**-The mission of our club is to educate the student body about women's rights and struggles.
